Definition of a complaint

An individual may make a complaint if they feel Pendynas Ltd has:

- Failed to provide a service or an acceptable standard of service
- Made a mistake in the way the service was provided
- Failed to act in a proper way
- Provided an unfair service

This policy and procedure relates only to complaints received about Pendynas Ltd and its services.

Concern or Complaint

It is important to establish the difference between a concern and a complaint. Taking informal concerns seriously at the earliest stage will reduce the likelihood of their developing into formal complaints.

If you have any concerns about our work please tell The Pendynas Ltd worker or their manager as soon as possible, so they can quickly understand your concerns and try to put things right.

If you are not happy with the response to your concern and/or you want to make a formal complaint please follow the procedure below.

Complaints Procedure

- a) The First Step aims to settle the majority of complaints quickly and satisfactorily by the member of staff who provides the service. The complaint may be resolved quickly by way of an apology or by an acceptable explanation to the individual.
- b) There are three stages to the complaints procedure:
 - Stage One – the complaint
 - Stage Two – investigation
 - Stage Three – appeal

Stage One – The Complaint

- a) The complaint can be written or if the individual prefers they can tell someone at Pendynas Ltd, or someone else, who will write it down for them. The complainant will need to sign it. A complaint form is available to use at appendix 1
- b) Individuals wishing to make a complaint should contact the person who provided the service, or their line manager. Alternatively they can contact Pendynas Ltd by writing to: Pendynas Ltd, Trevithick Suite, 6 Clinton Road, Redruth TR15 2QE.
- c) The complaint should include the complainants name and address, the nature and date of the complaint and how they want to see it resolved. The Pendynas Ltd complaints form can be requested and can be sent to the complainant or collected by the complainant.
- d) On receipt, each complaint will be allocated a reference number and logged on the complaints register. Complainants must receive an acknowledgement within five working days of receipt of a signed complaint.

Stage Two – Investigation

- a) All complaints at this stage should be dealt with by a service leader. If they need to meet with the complainant they will do so within seven working days of receiving the written complaint.
- b) Complaints will be fully investigated and a written response provided to the complainant within twenty working days by the investigator.
- c) The complainant will receive written confirmation of the outcome of any investigation any recommendations/remedies made, such as reviewing of policies,

staff development and training or appropriate improvement to Pendynas Ltd services. The outcome should not refer to any individual employees or groups of employees within Pendynas Ltd.

- d) Where the complaint is upheld an apology should be offered
- e) Occasionally investigations may take longer, particularly if the complaint is complex. Should this be the case a holding letter will be sent after twenty working days and a final date given for a conclusion to be reached.
- f) If an individual remains dissatisfied with the outcome from Stage Two they can appeal within fourteen working days of the date of the outcome and progress to Stage Three.
- g) The complaints register will be updated and any pending complaints flagged so they are followed up

Stage Three - Appeal

If the complaint cannot be resolved to the complainants satisfaction at stage two, or if the service leader feels that the complaint is of a very serious nature, or concerns a service leader then it will be referred to the Managing Director.

If the complaint is about the Managing Director then the matter will be discussed with two other Directors.

The Directors will acknowledge receipt within five working days, they will review the Stage Two investigation and recommend one of the following actions within twenty working days (from the date the complainant stated they wanted to take the complaint to stage 3):

- Uphold the action taken by Pendynas Ltd at Stage Two
- Make changes to the Stage Two recommendation/actions

The complainant should be informed in writing of the outcome of stage three, the decision reached about this complaint will then be final but other options available to the complainant (as listed below) should be detailed in the letter.

If after Pendynas Ltd has been through the three stages and the complainant is still not satisfied with the result, they should be advised that there is no further right of appeal with Pendynas Ltd but they could approach any of the following agencies for advice:
